Although the City of Laguna Niguel does not require a business license, there are certain approvals required for a new business.

Some business may require a Use Permit. Please contact the Planning Department at (949) 362-4360

Home-based businesses require a Home Occupancy Permit. There are restrictions as to the type of business that a resident can operate out of a residential property.

Signs require a permit.

Banners are only permitted under certain conditions and require a Temporary Banner Permit.

Business information available from the City's Website:  
[www.cityoffaganiguel.org](http://www.cityoffaganiguel.org):
