Super Soccer Stars: Shine Program

Shine Program uses soccer as a vehicle to teach life skills to individuals with developmental and intellectual disabilities. Developmentally-appropriate curriculum is designed by licensed educators and therapists that promote the complete growth of each individual and encourages players to improve at their own pace. Soccer is used to enhance peer interactions and provide a safe environment for players to increase social potential with low player-to-coach ratios to ensure that individuals receive continuous support and personal attention. For more information contact, (310) 998-0010 or email la@supersoccerstars.com. (6 weeks)

CPR, First Aid, AED Instruction

The purpose of the American Red Cross First Aid/CPR/AED program is to help participants recognize and respond appropriately to cardiac, breathing and first aid emergencies for adults, children and infants. The courses in this program teach skills that participants need to know to give immediate care to a suddenly injured or ill person until more advanced medical personnel arrive and take over. This program will include a two-year certification from the American Red Cross.

SAT Test Prep **NEW**

Ready for the October and November SAT? Our SAT program can help reduce stress and increase test scores for one of the most important exams. In our course, students work with specialized instructors and peers to review skills and strategies needed to score high on all parts of the SAT. Students will also receive three full-length practice tests to review and ensure continuous growth in scores. And, to have an even bigger boost, after their course has ended, all students will continue to have a year of 24/7 access to Sylvan's Online SAT Program! For more information, email sylvanlagunaniguel@sylvanhms.com (30 hours)
