

City of Laguna Niguel Police Services

In the City of Laguna Niguel, Police services are provided by contract with the Orange County Sheriff's Department (OCSD). The Sheriff's Department is responsible for providing the protection of citizens, the enforcement of laws, and crime prevention. Law enforcement services include patrol, traffic enforcement, accident analysis and investigation, parking enforcement, general and special investigations, and the Community Support Unit.

The City of Laguna Niguel enjoys the reputation of being one of the safest cities in Orange County, and has one of the lowest crime rates in the county since 1992. We attribute this to a combination of factors including the level of contract law enforcement services, demographic makeup of the community, land use patterns, household income and education, private and gated communities, and our dedicated community members.

The City is dedicated in its crime fighting strategy as well as maintaining an atmosphere of community. There are several programs available to residents and businesses in the city. The Police Services Department encourages community members to participate in our endeavor to preserve the quality of life in Laguna Niguel.
