Mayor Pro Tem Elaine Gennawey Re-Elected as Chair of the Orange County Senior Citizens Advisory Council

Laguna Niguel, CA – On Friday, January 08, 2021, Mayor Pro Tem Elaine Gennawey was unanimously re-elected as Chair of the Orange County Senior Citizens Advisory Council (SCAC) for a two-year term.

The SCAC is charged with the responsibility of advising the Orange County Board of Supervisors and Office on Aging on matters affecting senior citizens in Orange County. The SCAC is comprised of forty members, including local elected officials, representatives of health care and supportive service provider organizations, persons with leadership experience, and the general public.

As Chair of the SCAC, Mayor Pro Tem Gennawey will lead the council in ensuring that older adults of Orange County have the full opportunity to participate as active members of society for as long as possible. Additionally, the council will advise the Board of Supervisors, OC Community Services, Office on Aging, and other agencies on matters related to areas of concern to older adults.

“I feel honored to be re-elected as the Chair of the Orange County Senior Citizens Advisory Council. With the older adult population in Orange County projected to double in the next 20 years, I find it crucial that we continue making decisions today that account for this demographic shift and ensure the best interests of our senior citizens. The role of SCAC is ever more crucial today given the significant impacts that the COVID-19 pandemic has had on the County’s older adult population,” said Mayor Pro Tem Gennawey.

Mayor Pro Tem Gennawey was previously elected as Chair of SCAC in 2018 and served a two-year term. Her re-elected role as Chair will go through December 2022.
