

The City of Laguna Niguel invites you to safely and respectfully enjoy the gardens in the Niguel Botanical Preserve at Crown Valley Park.

## **Did you know that a permit is required for commercial photography and video media on City Property?**

A Commercial Photography and Video Media Permit is required for the following circumstances:

- The activity involves capturing posed individuals and/or pets on public property while receiving compensation.
- The activity restricts or prevents public access to an area, or occurs in a location not typically open to the public.
- The activity involves the use of models, constructed sets, lighting rigs, or large props requiring setup.
- The images or footage are used to advertise a business or promote/sell a product or service.
- The activity results in additional administrative costs for the City to monitor or permit.

## We encourage you to enjoy the Preserve respectfully by:

- Not climbing the railings or any structure in the Preserve, including the Labyrinth area and Gazebo Green.
- Discarding of any garbage from food, drink and corsage boxes. 
- Do not use confetti or glitter during your visit or photo shoot.
- Stay on the trails to avoid damaging the plants & being exposed to dangerous animals, such as rattlesnakes.
- Alcohol is strictly prohibited in all City parks, including the Preserve. 
- Do not pick our blooms.
- Please visit our website: [www.NiguelBotanicalPreserve.org](http://www.NiguelBotanicalPreserve.org) to learn more about the Preserve and Volunteer opportunities.
